Building Opportunities for Wauneta to Thrive and Grow

Fall 2023

Dear Wauneta Supporters,

Contributions from community members past and present have created a brighter future for our hometown. As our fund moves forward in our third decade of existence, we can look back on many great accomplishments, ranging from smaller scale projects like park and swimming pool improvements to huge endeavors like the Wauneta Medical Clinic. Realizing the vision behind these projects is only made possible with community support and donations, on behalf of our entire committee, thank you.

We know that Wauneta is a great place to live, work and visit; a great place to raise a family and to retire. This is due to the citizens of Wauneta and the surrounding rural community that came before us; due to the generosity and vision of those who built our town, served as local volunteers, donated the funds needed to build our swimming pool, ballfield and park, paid the taxes that funded our school, paved our streets, and provided other necessary infrastructure. To those who came before us we say thank you.

We believe strongly in the future of Wauneta and in the need to continue to build upon the foundation laid out before us. The needs of our community continue to grow and the Wauneta Community Fund is here to help lead the way in meeting those needs. Recent gifts to the WCF, an affiliated fund with the Nebraska Community Foundation, have provided for a maintenance/improvement fund for Wauneta's Riverside Cemetery; allowed us to take part in the Hometown Intern Program, have added monies to our Unrestricted Endowment which allows for annual distribution to community improvements like new doors for the Wauneta Community Building, new refrigerator for the Wauneta Swimming Pool, new lighting at the park basketball/pickle ball court, new equipment and ongoing maintenance at the Wauneta Medical Clinic, providing support for our community newsletter. The list of improvements grows year by year!

Looking ahead even bigger needs loom on the horizon – swimming pool upgrades/replacement; a new firetruck; downtown electronic announcement sign; standby support for the Chateau Theatre and Wauneta Care Center. The Wauneta Community Fund is ready to partner with local government and community volunteers to make sure these needs are met.

By making a year-end or annual tax deductible donation of cash, agricultural commodities, stock, or a qualified charitable distribution from your IRA, you can help your Wauneta Community Fund realize the community's vision for an even better future for Wauneta. We need your support as much as ever if we're going to make these things happen. Those of us who live in the Wauneta area community or are from here know the value of this special little town and the quality of life we enjoy here today. Our forebears built this town and maintained it; now it is our duty to keep it thriving and progressing. With your help, we will make it happen. Sincerely,

Tina Kitt Evelyn Skelton Brenda Anderson Rick Einspahr Dixi Travis-Wellman
